About the Cover:

Scenes from the successful 2012 North Central Regional Classic in Huron, SD taken by Cathy Eichacker, Zac Hall, and Pearl Walthall. Congratulations to SD Simmental for hosting a nice event and to all the competitors.

EDITORS MESSAGE

Greetings fellow cattle producers!

I would like to thank the North Dakota and South Dakota Board of Directors for allowing me the opportunity to continue the ND Simmental Scene/SD SimmenTeller. Todd Finke did an excellent job and will be extremely missed. Todd improved the magazine and make it a highly regarded publication. I will work hard to continue that tradition.

We are so fortunate to be involved in two states that are active and have such great cattle! As I was filling in the Calendar of Events, I was reminded how many progressive breeders we have in the Dakotas! Both states have State Sales in December, where high-quality genetics are always offered. Please take a look at the ones who are advertised in this issue!

Take note of the information regarding the State Annual meetings and banquets as the position pages for the Scene and the 2013 ND Directory will be auctioned again this year. If you cannot attend, many people will be available at both banquets to help.

This holiday season, take time with family and friends because all too often, we are reminded how short our time is here. The Simmental family, especially in North and South Dakota, is fortunate to have such great relationships. I am thankful to be a part of it!

Sincerely,

Erika Kenner

position pages for ND Scene/ SD SimmenTeller **up for auction!**

Don't forget that the 2013 Position pages for the ND Simmental Scene/SD SimmenTeller will be up for grabs again this year! The agreement with the magazine partnership is to alternate state banquets each year. They were sold at the North Dakota banquet in December of 2011 and this year will be sold at the South Dakota banquet on December 7 in Sioux Falls, SD.

The pages available are the inside front cover, inside back cover and back cover for the January, February and November 2013 issues.

If you cannot attend, try to find someone to bid for you. People will be available to help with bidding for absentee bidders. Contact any SD Board member for more information or Mike Traxinger. Also, Luke Keller, ASA Field Representative and Erika Kenner, Scene/SimmenTeller, will be there to help.

The North Dakota Board of Directors will be printing an updated Membership Directory in 2013. The last one was printed in 2009. The position pages will be auctioned as in the past. The pages available are the inside front cover, page 1, the page opposite the inside back cover, the inside back cover, the back cover and the two center pages.

The auction will be held at the North Dakota Simmental Association banquet on December 14, at the Ramkota Hotel in Bismarck. If you will not be in attendance and are interested in any of the pages, please arrange someone to represent you. Contact any of the North Dakota Simmental Board members, Jeff Thomas, or any other member at the banquet.

The advertising deadlines for the Directory will be printed in the January issue of the Scene/SimmenTeller. Also check the website for updates at www.northdakotasimmental.com.

The South Dakota Simmental Association will be hosting an auction during the annual meeting on December 7, 2012 to fund the

heifer grant program. The program will award grants of \$200 to juniors not over the age of 21 for the 2013 show season. This money can only be used to purchase an open heifer calf at the South Dakota Simmental Source Sale. Grants cannot be transferred or combined amongst juniors. The goal of this program is to establish interest in Simmental cattle for the young people within our industry.

Prior to the sale at buyer registration, juniors who wish to be entered in the drawing for the heifer grant need to notify the clerk. The buyer's number needs to be in the junior's name. The junior does not need to be a current member of the Simmental Association at the time of the sale. Prior to the auction the grants will be awarded. This is the first year for this program and the association hopes it will grow in the future. Please consider supporting the youth in our industry by supporting the auction at the annual meeting.
