EDITORS MESSAGE

Welcome!

It seems as though it was just New Years and now we're already into our second issue of the magazine for 2013. Time sure does fly by fast!

What a great time to be in the Simmental business! So far the sales have been record setting. Even with the drought throughout many of the cattle producing areas, the prices have remained strong and the demand for Simmental genetics is stronger! Hopefully the spring will bring rain to the areas so severely affected by the drought.

The ND Scene/SD SimmenTeller is a communication source for the membership of both ND and SD Simmental Associations. Through the past few years, Todd Finke has developed it into a useful tool for marketing cattle. The membership also needs to be commended on their support of the publication. Without you, it would not be

the magazine it is today. The January issue was record setting! Thank you all for the support!

In order to serve you better, I will be adjusting the deadlines starting with the November issue. In order to mail on time to be effective for the advertisers, the deadline will move to October 18. State Sale participants will need to take note and plan ahead. Also, the January issue will move up to December 13 to avoid the holiday schedules for designing and printing.

Good luck to all selling bulls, buying bulls and calving this spring!

Sincerely,

Erika Kenner

2013 GOLDEN BOOK AWARD

North Dakota Breeder Receives World Simmental Federation Honors

BOZEMAN, MT. During the American Simmental Association's (ASA) most recent Annual Meeting in Denver, Roger Kenner, Leeds, ND, was added to the impressive list of individuals and family operations, which have been awarded the prestigious World Simmental-Fleckvieh Federation's (WSFF) Golden Book Award.

A champion of performance cattle and performance programs, Kenner has long advocated the use of proven and well-tested genetics for commercial cattlemen. He began his cattle herd in 1974, by procuring genetics from progressive Canadian breeders. He has made significant contributions as a Simmental breeder, and leader on both the state and national levels, including Chairman of the Board for the American Simmental Association. Through his strong and

energetic leadership, he has touched many lives and numerous cattle operations in both the US and Canada.

Widely known for innovative thinking, he was a founding director of Dakota Growers Pasta Company; serves actively on the Leeds Economic Development Board; is a part owner of Golden Plans Frozen Foods; and, sits on the board of North Dakota Blue Cross/Blue Shield Insurance.

Presentation of the 2013 Golden Book Award was made at the Chairman's Reception during the ASA's 45th Annual Meeting, January 20, in Denver. Kenner was awarded the Golden Book Award along with fellow ASA members/former Trustees, Willie Altenburg, CO; and Tommy Brown, AL.

ASA Board Member Kevin Thompson, Almont, ND presented the Golden Book award to Roger Kenner at the Chairman's Reception in Denver, CO.

Roger Kenner

The World Simmental-Fleckvieh Federation (WSFF) Golden Book Award recognizes individuals and organizations that have made significant contributions to the development of the Simmental/Simbrah breeds in the United States. The ASA Board, which nominates and approves Golden Book Awards, authorizes up to three awards annually. Recipients of the award receive a plaque from the WSFF and a framed citation signed by the ASA Chairman of the Board. The coveted award is the ASA equivalent of nomination to Hall-of-Fame status.

The date for the 2013 ND State Simmental Sale will be December 28, 2013 at Kist Livestock in Mandan. The schedule will be the same as in the past with the annual meeting and banquet on Friday, December 27 at the Ramkota Hotel in Bismarck.

There is a conflict at Kist for the 3rd weekend of December so for this year, the sale date is different. Please mark your calendars and plan to attend!

New face as Secretary/Treasurer!

We are excited to announce Kim Myers, Kathryn, ND is the new North Dakota Simmental Association Secretary/Treasurer. Myers took over the position that was held by Bob Grant, Berthold, ND for 15 years.

Kim officially took over the new roll on January 15 at the first Board meeting of the year. The Board is excited to have her join the team and looks forward to working with her.

Welcome Kim and thank you for taking on the responsibilities for the ND Simmental Association!

Donation heifer highest grossing fundraiser to date!

The donation heifer at the ND Simmental Classic Sale brought in a record amount of money for the ND State Association! To date, she raised over \$14,000. The Board would like to extend a thank you to all who have donated in the past and especially to Mike Johnson who donated the heifer this year.

We also appreciate all who purchased tickets. Congratulations to Matt Kline, Hurdsfield, for winning the 2012 donation heifer!

Use the North Dakota website

This has made it a priority to make the ND Simmental website more current and a service to the members. Any member who wants their website listed as a link needs to make the request to Erika and it will be added free of charge. The membership list will never be placed online, only those who wish to be listed.

Please send any suggestions for the website to a Board member.

Award Nominations

If any member has a suggestion for Pioneer Award, Promoter of the Year Award and the Commercial Producer of the Year Award, please contact a Board member. The Board appreciates input from the members. The final decisions are made at the September Board meeting each year.

State Fair Picnic

Each year, the North Dakota Simmental Association sponsors a picnic at the State Fair for all the Simmental exhibitors and spectators. We encourage all members to attend. This year, the picnic will be held Monday, July 22, 2013 starting at 5:00 pm. The location will be announced as it gets closer. Watch for more information in the summer newsletter!

The Commercial Cattleman's
"One Stop Bull Shop"
For Elite Simmental & Red Angus Genetics

At MRL we have built a reputation around supplying Thick Beef Bulls to Commercial Cattlemen and standing behind them.

Herdbulls packed full of economic and convenience traits that will accelerate your breeding program. Managing over 600 mother cows with limited manpower, these bulls are raised under ranch conditions similar to yours, and are developed on a silage-based ration to ensure soundness and longevity. Over 40 years of genetic selection with the commercial cattleman in mind: calving ease, consistency, natural thickness, maternal values and carcass traits bred right in. Give us a call, we would enjoy visiting about your operation and herd bull needs.

Thank You

to our U.S. buyers the past 4 years. Almost 25% of our bulls have sold to some of the top breeders and commercial cattlemen in the Dakotas, Minnesota, and Nebraska annually. We have the experience and documentation to get your bulls to your yard hassle free!

Sight Unseen Buyers Program

We would love for you to join us at the ranch March 5 for the bull sale; but if you cannot, this program has worked very well for busy cattlemen unable to attend our sale. 20% of our bulls go to satisfied cattlemen each year, many repeat customers through our SUS program. It's simple: give us a call to discuss what you are looking for in your next herd sire. We know our cowherd very well and the genetics strengths of each and every bull offered. Together we will discuss which bulls will work best in your operation. We will personally hand pick and purchase your bulls for you within and quite often below your price range. Your next herd bull purchase is as close as your phone. Please contact Lee or Dave for more info on the program.

Thank You NDSA MEMBERS

I would like to thank the membership of the North Dakota Simmental Association.

The opportunity to meet so many of you and work for you the past 15 years has been a great experience. A special thanks needs to go to the many board members I have worked with while serving as Secretary/Treasurer.

The appreciation picture is something I will always cherish. When I look at the picture I recall the many friendships I have made through the North Dakota Simmental Association.

As I closed many of the Notice of Annual Meeting Membership letters:

Simmental friends are friends forever!!
