Association

Classic SALE

Saturday, December 12, 2015 | 2:00 pm (approx.)

Kist Livestock | Mandan, ND

*Sale Immediately Follows the
ND Red Angus Sale | Noon CST*

Welcome!

On behalf of the sale consignors I would like to welcome you to the 2015 North Dakota Simmental Association Classic Sale! 2015 marks the 44th Anniversary of the North Dakota Simmental Association, and many of the consignors that are involved stem from families that have been involved in it from the start.

Again this year, we are sharing the sale date and facility with the ND Red Angus Association, as their Red Select Sale which will start at noon and the ND Simmental Classic following right after. The two breeds compliment each other very well and the consignors have been great to work with!

This North Dakota Simmental Classic Sale has developed a reputation as being a source of some of the top Simmental/SimAngus genetics available in the land. The offering has been selected from the heart of some of the top programs in the upper Midwest! The cowherds that this offering has been selected from present some of the top bull sales in the country each and every year!

I would also like to point out that each year while on the screening trip for this sale a lot of the individuals that are selected for this sale go back to or are out of females that were purchased in this sale - a testimonial that these cattle will work!

There has never been a better time to be involved in the beef industry! The cow numbers are at an all time low and we continue to see top prices for feeder calves with commercial producers all over searching for top end genetics to use in their programs to take advantage of the times. As seedstock producers, you will find the offering in this sale provides the source for those top end bulls and females that will assist you in providing those genetics to your customers.

If you are looking for bred heifers to produce bulls for the commercial and seedstock industry this offering has a lot of opportunities for you. The open heifers in the offering have some outstanding show heifer prospects for Juniors - there will be something to fit your needs and will make tremendous cows as they develop. Keep in mind the great opportunities for Juniors with the Futurity program.

Again this year's sale will be broadcast on DVAuction for those of you that may want to participate over the internet. Also we will be posting updated photos and potentially video clips available on the North Dakota Simmental Association website: www.northdakotasimmental.com.

We invite you to be with us on December 12, 2015 as well for the NDSA Annual Meeting and Banquet on December 11, 2015. We encourage you to contact any of the consignors or sales staff if you have questions regarding this year's offering and look forward to seeing you on December 12!

Sincerely,
Jeff Thomas and the Consignors of the 2015 NDSA Classic Sale

Attend the _____ NDSA Annual Meeting & Banquet

Join us for the Annual Meeting on Friday, Friday, December 11, 2015 at 12:00 noon at Kist Livestock, Mandan. Guest speaker will be Russ Danielson, ASA Field Representative. Watch the NDSA website for the annual meeting agenda items - www.northdakotasimmental.com. Lunch will be served at 11:00 am.

Remember to attend the Social and Banquet on Friday night at the Ramkota Hotel in Bismarck. Social starts at 6:00 pm and the banquet starts at 7:00 pm. Great food, great fellowship and awards presentation.

Junior Futurity Show

Attention junior exhibitors, make sure to purchase your ND Futurity show heifer at the ND Classic Sale!

As in the past few years, the members of the ND Simmental Classic Sale and the members of the Northwest Select Sale will be holding a junior futurity show in conjunction with the ND State Fair show. All open females sold in these two sales will be eligible to compete at the ND State Fair in July 2016. The number of entries determines the number of classes and there is a \$10/head entry fee. The show will be immediately following the NDJSA Show.

There are cash prizes for the top six placings: Champion - \$600, Reserve Champion - \$500, Third Place - \$400, Fourth Place - \$300, Fifth Place - \$200

All competitors must be members of the ND Junior Simmental Association and the cost of the membership is \$5.00. We hope to see you at the ND State Fair and good luck!

For more information, contact
NDSA Secretary, Kim Myers 701-308-1018

Tribute to a dear friend...

On October 19, 2015, we lost a dear member of our Simmental family. Dakota Dawn "Cody" Hansen of Ryder, ND passed away from respiratory complications related to pneumonia in a Minot hospital. Cody leaves behind her husband Kevin of 25 years, son Wyatt and daughter Hadlie. Cody was proud of her family, especially her kids.

Cody was an active member of the North Dakota Simmental Association where she had served on the Board of Directors since 2013. She was devoted to the youth – not only in the ND Simmental, but also through 4-H and as a girls basketball coach. She was a great example of leadership, generosity, work ethic, and fun. Cody always put a smile on people's faces, a true joy to be around.

Cody was involved in many different organizations – Roughrider Rodeo Association, North Dakota Stockman's Association, ND & American Simmental Associations, and her church, Rose Valley Lutheran. She touched the lives of people in so many different areas. A couple facts that many may not have known: Cody was a member of the 1985 Lake Region Junior College basketball team that competed in the national championship, she was a six-time breakaway roping champion and was a state champion arm wrestler!

The hearts of the Simmental community have been heavy since the news and Cody will be deeply missed. Please keep all of Cody's family in your thoughts and prayers.

BCLR DEALLIN A110 – SIRE OF DONATION LOT

Donation Heifer Auction Procedure

- The final bid in each round will denote the amount of that bidder's donation.
Round 1 – Final bid is \$300 to John Doe. John's donation is \$300.
Round 2 – Final Bid is \$250 to Joe Public. Joe's donation is \$250
Subsequent Rounds – the female is re-auctioned until no further bids are received at the low of \$10.
- Each \$10 donation represents one chance in the final draw. In the example above, John has 30 changes and Joe has 25.
- One ticket for each \$10 donated, bearing the contributor's name, will be put into the drawing.
- At the end of the sale, one ticket will be drawn and that person will win the heifer.

If you're unable to attend the sale and would like to bid on the donation lot, please contact:
NDSA Secretary, Kim Myers 701-308-1018 | gkmyers@outlook.com

- Each year a member of the ND Simmental Association provides a heifer for which tickets are auctioned off for her possession. The funds from this auction are utilized by the ND Simmental Association for the promotion and development of NDSA & NDJSA programs. Impressively enough, many past donation heifers have gone on to produce progeny that have been consigned to this sale, which makes a statement about the quality of heifers that are donated! ??? This year we are thankful to the JR Aufforth family of Northern Plains Simmental from Bowbells, ND for providing an outstanding individual. NPS Queen of Hearts – a red, polled, open heifer with excellent numbers – is sired by BCLR Dealin A110, a top-selling bull from the Bichler Simmental Program. Here is an opportunity for you to not only support the ND Simmental Association, but to win this heifer that has a lifetime of production ahead of her. Tickets may be purchased at the sale, but feel free to contact Kim Myers any time before the sale to purchase your tickets as well!

Thank you

to the Aufforth Family of Northern Plains Simmental
for donating the heifer!

Watch & bid online for FREE at

DVAuction

Broadcasting Real-Time Auctions

Can't make the sale? Bid from home with DV Auction's "real-time" internet bidding service!

Buying online is as easy as 1, 2, 3...

1. Create an account at www.dvauction.com under the "register" tab
2. Apply for bidding approval by clicking on the "details" tab at least 24 hours prior to the auction-a DV representative will notify you once you have been approved
3. Tune in for the sale and make your purchases!

After the sale, contact the sale manager or owner to arrange transportation and payment. **High speed internet** is required for successful bidding-be sure to check the lag-time monitor in the top left corner to ensure real-time broadcasts.

Proxy Bidding-if you can't make time to watch the sale, register a proxy bid and let our system represent your bid while you're away. Look for the "proxy bid" tab on the auction listing, and fill in your maximum bids. We'll handle the rest!

Having troubles? During the auction, you can type a message to the operator at any time for assistance. Our full-time support team can also always be reached at (402) 474-5557.

- AI bred to WS All Around (2675740) on 5/28/15. Confirmed to AI date.
- Pasture exposed to STAV Ironman (2503199) from 6/5/15 to 6/25/15.
- 430B is a cherry red female sired by Red Ridge and her dam is a cow we purchased from Remington's dispersal sired by Red Label. She has done a great job for us and we sold a maternal sib in the SD Source sale 2 years ago to Jim Benda. We think you will appreciate the maternal look of this female that will raise herd bulls and replacement females. Her calf by WS All Around could be red or black. Our experience with the All Around calves is they come easy and grow!

- AI bred to Kuntz Sheriff 8A (3038020) on 6/3/15. Ultrasound safe to AI date with a heifer calf.
- Pasture exposed to BCLR Elvis B812 (2938773) from 6/10/15 to 7/17/15.
- Don't miss this opportunity! She combines as many attributes together as you can line up. Solid red, deep, and easy fleshing! She comes from a good cow family and her individual performance was 107 weaning weight ratio. She has a good disposition, nice EPD profile, and an excellent uddered cow family. Also, she came right from the top of the herd of our bred heifers. Bred to one of the top calving ease bulls in Canada!

- AI bred to SDS Graduate 006X (2548143) on 4/28/15. Vet checked safe to AI date.
- Pasture exposed to ASR Aim High B418 (2891848) from 5/1/15 to 7/8/15.
- Ms Tailored is deep bodied, big ribbed with excellent structural correctness. She is long and clean fronted and very feminine in her design. She is long, level and square in her hip. You will be hard pressed to find heifers as nice as her. Her sire was our pick of the Kenner Simmental bulls that year. Her mom is showing how great of a young cow she is. Buy with confidence here. Outcross pedigree with excellent EPDs.

- AI bred to KNH Added Value 58W (2503672) on 5/28/15. Ultrasound safe to AI date.
- Pasture exposed to NSR Mr All In B2 (2953277) from 5/29/15 to 8/26/15.
- B53 is the kind to build cow herds with - long, soft, thick made, great disposition, a great project cow for juniors. You can go any direction with her, AI'd to Added Value, should make a breeding piece with the look and lots of performance. No holes here that we can see.

40 Pick of 2015 Born Heifers

Consignor: Keller Broken Heart Ranch - Mandan, ND

- We are honored to once again be able to offer the pick of our 2015 heifer calves! We would like to thank Kenner's for their purchase of last year's pick of a tremendous Hook's Zigzag daughter. Choose from over 200 heifer calves that are approximately 50/50 reds and blacks. Both purebreds and SimAngus are available. Sires represented include GW-WBF Substance, Hook's Yellowstone, CCR Gravity, CDI Journey, GAR Prophet, Hook's Zebulon, GW Redestined, Hook's Zigzag, KS Madagascar, Schuler Rebel, and CDI Iditarod. We would like an opportunity to retain a flush with a minimum of 10 transferable eggs on the heifer that is selected. Selection must be made by March 1, 2016.

- Stout featured, 3/4 United daughter that is big footed and offers a ton of natural thickness while staying clean fronted. Her mother Z211 is proving herself to be a matriarch in our heard. This is one you could expect to do well in the show ring then go home and produce some powerfully constructed offspring. Was GGP-HD tested and the EPDs in this catalog are updated.

- C1563 is a great example of what SimAngus cattle represent. She is moderate, but very deep, and she is backed by a great pedigree. Captain Morgan is making his impact carrying a great rib through his calves while maintaining a great structure. 1299 is nothing to pass over either, with her outstanding maternal traits and depth of body she is a perfect cross to Simmental cattle. This heifer is an outstanding show prospect and will catch your eye come sale day. Full sister to Lot 71.

- Super easy fleshing, deep ribbed, extremely thick ES Ridgerider heifer that we've LOVED since birth! We want to showcase this heifer as what we are striving to produce here at KnH. Her dam, 2Y, will be heading to the donor pen this Spring, as she is physically stunning & she produces that way too. Could say the same about the granddam, U2. This heifer has a lot going for her & is one that won't disappoint her new owner! Would like to retain a future flush at seller's expense and buyer's convenience.

10	1.0	68	114	10.8	21	55	39.7	-0.10	0.39		129	73

- This February SVS Captain Morgan 11Z open heifer is one of the very first Captain Morgan females to sell in the USA. Captain Morgan made a huge stir up in Canada when he sold for \$190,000 to Double Bar D. His first set of offspring hit the ground running and they are a great set of calves, with 5222C being no exception. There is as much middle and mass as you can possibly put in an open heifer of this age and she sits on such a great set of feet. Not only is 5222C's sire a head turner, but Werner Black Angel 1299 has also proven herself to be a donor worthy female. Many of our top-selling lots from the Fall 2015 Queens of the Pasture Female Sale were out of 1299. So here is a proven mating that is from the very top of our herd. Buy with confidence! Please check our website for updates on this unique individual at www.rustmountainviewranch.com. Full sister to Lot 63.

- Callie has been one of our favorites since birth. Her mother (T433) made it to our donor pen this summer. Her only other daughter produced our high-selling bull last year as a first calf heifer - KS Home Run B23, selling to Doug Bichler. Two of her bulls both sold for over \$10,000 with one going to Kline Simmentals last year. We are only letting this female go because we will have ET full sibs on the ground this spring. Disposition is excellent - in fact, we always struggle to get a perfect picture of T433's progeny because they are all too nonchalant. The kind you want around your family. Video available at www.kennersimmental.com.

- This heifer is the type that we strive to produce each year. We believe she will be a very competitive show heifer and will go on to make an excellent cow. She is very deep bodied and flat shouldered with a smooth front end. She has an excellent set of numbers and is sired by one of the most popular bulls in the breed. This is our 2nd crop of Cowboy Cuts and we love the females he produces and we all know how well his sons sold last year. This heifer is kid broke and we plan to show her at the North Star Classic on December 4th, so look her up.

- Please examine this heifer's pedigree carefully! Complete outcross for red genetics with Sitz Upward & Chisum on the top side, & the other unique quality is that she is out of RFS Red Iron's maternal sister. She is sired by Chisel, a bull we retained for our own use because of his maternal values, an unreal rib cage and also being one of the soundest, biggest footed, walks-like-a cat bulls we've ever come across. Sippin On Fire will be a maternal gem for whoever gets to take her home! Keep in mind that she will probably be one of the youngest heifers in this sale!
