Classic SALE

SATURDAY, DECEMBER 8, 2018 | 2:00 PM [APPROX.]

KIST LIVESTOCK | MANDAN, ND

SALE IMMEDIATELY FOLLOWS THE ND RED ANGUS SALE | NOON CST

Welcome

ATTEND THE NDSA ANNUAL MEETING & BANQUET

Join us for the Annual Meeting on Friday, December 7, 2018 at 12:00 noon at Kist Livestock, Mandan. Watch the NDSA website for the annual meeting agenda items – www.northdakotasimmental.com. Lunch will be served at 11:00 am.

Remember to attend the Social and Banquet on Friday night at the Ramkota Hotel in Bismarck. Social starts at 6:00 pm and the banquet starts at 7:00 pm. Great food, great fellowship, awards presentation, and the juniors will hold their annual fundraiser auction.

ND JUNIOR INCENTIVE PROGRAM

Rules:

1. Open heifer must be purchased at the ND State Simmental Classic Sale. Purebred or 50% or higher percentage heifers qualify to show. Sale credit applies to the show season immediately following the sale. Example if heifer is purchased in December 2018, show season would be the summer of 2019.
2. Junior member must register the heifer in their own junior membership with the American Simmental Association. Junior member listed as a representative under an adult membership does not qualify.
3. Junior member must be a member of the ND Junior Simmental Association
4. Junior member will receive sale credit for placing or winning in the levels listed below.
5. Sale credit must be used at the next ND State Simmental Sale. If not used that year the sale credit will be voided.
6. To receive sale credit junior must provide a picture (advertising quality) and a signed statement from a ND Junior Simmental Association Advisor for the Classic, ND State Fair or ND Jr Points Association levels or from your local county extension agent /Chapter FFA Advisor for the local County Fair level by December 1 of current year.

Levels of Sale Credit Incentives:

Simmental National Classic or Regional Classic

\$1,000 sale credit
Place in the top 10

ND State Fair Junior Simmental Show—\$750 sale credit
Grand Champion or Reserve Grand Champion Heifer

ND Junior Points Show Association—\$750 sale credit
High point year end heifer

Local County Fair—\$500

Champion Overall Breeding Heifer at your local county fair

On behalf of the sale consignors, I would like to welcome you to the 2018 North Dakota Simmental Association Classic Sale! 2018 marks the 47th Anniversary of the North Dakota Simmental Association and many of the consignor families involved in this event have roots back to the very beginning.

Again, this year we are sharing the sale date and facility with the ND Red Angus Association and their Red Select Sale which starts at noon with the ND Simmental Sale following immediately after. The two breeds of cattle complement each other very well and both associations work together very well both on state and national levels.

The North Dakota Simmental Classic Sale has developed a reputation as being a source of some of the top Simmental/SimAngus seedstock and genetics available in the land. The offering has been selected from the heart of some of the top programs in the upper Midwest! The programs involved in this sale present some of the top bull sales in the country each and every year!

I would like to point out that each year while screening for this trip individuals that are selected for the sale go back to or are out of females that were purchased in this sale – a testimonial that these cattle will work!

The North Dakota Simmental Association has implemented a Junior Incentive Program that provides a tremendous opportunity for Junior members and keep in mind that the 2019 Junior American Simmental Association North Central Regional Classic being held in North Dakota. This sale offering presents a large number of open heifers that would be very competitive at that level, as well as other events throughout the region.

The bred heifers and donor females in this year's offering are the kind that produce those same females, as well as some of the top bulls in individual bull sales held by the consignors of this sale! As buyers you have the opportunity to select individuals and genetics that can advance your program significantly in the future!

Again, this year's sale will be broadcast on DV Auction for those of you that may want to participate via the internet. Also, we will be posting updated photos and information on the North Dakota Simmental Association website: www.northdakotasimmental.com

We invite you to be with us on December 8, 2018, for the sale as well as on December 7, 2018, for the NDSA Annual Meeting and Banquet. We encourage you to contact any of the consignors or sales staff ahead of the sale and look forward to seeing you on December 8!

Sincerely,

Jeff Thomas and the Consignors of the 2018 NDSA Classic Sale

• Foxxie is a cherry red heifer out of Traxs Rushmore. Her dam, TSFS Minny, was our pick from all of Timber Spring Farms open heifers. The mating sure clicked. Foxxie posted a 106-birth ratio and a 103-ww ratio out of a first calf heifer. Michelle and I are honored to be able to give back to the NDSA. From two Wisconsin Badgers to all our friends in North Dakota, we say...Go Bison!

Thank you
ROCKIN R FARM
FOR YOUR DONATION!

Watch & bid online for FREE at

DVAuction
Broadcasting Real-Time Auctions

Can't make the sale? Bid from home with DV Auction's "real-time" internet bidding service!

Buying online is as easy as 1, 2, 3...

1. Create an account at www.dvauction.com under the "register" tab
2. Apply for bidding approval by clicking on the "details" tab at least 24 hours prior to the auction-a DV representative will notify you once you have been approved
3. Tune in for the sale and make your purchases!

After the sale, contact the sale manager or owner to arrange transportation and payment. **High speed internet** is required for successful bidding-be sure to check the lag-time monitor in the top left corner to ensure real-time broadcasts.

Proxy Bidding-if you can't make time to watch the sale, register a proxy bid and let our system represent your bid while you're away. Look for the "proxy bid" tab on the auction listing, and fill in your maximum bids. We'll handle the rest!

Having troubles? During the auction, you can type a message to the operator at any time for assistance. Our full-time support team can also always be reached at (402) 474-5557.

• We purchased this female from Double J Ranch for a Jr Show prospect. When the show season was over she was named Supreme Champion female 4 times and Reserve Supreme female 4 times. Including being named Supreme Champion Heifer both days at the ND State fair. The best part of Mia is the fact that her greatest attributes go way beyond the show ring! Her breeding potential is endless! Whether you breed for power, maternal or the show ring she has the phenotype and the "outcross" pedigree to get the job done! She is due to calf mid-February and will be available to start flushing the end of March to the first part of April. Don't miss a great opportunity!!

• Selling one conventional flush at buyer's expense. Guaranteeing 6 grade 1 eggs. 10 or more eggs will be split evenly between buyer and seller.

- AI bred to Rubys Turnpike 771E (3282048) on 5/15/18.
- No Exposure.
- Ultrasound safe to AI date.
- This donor has a proven track that garners premiums. Her first calf was DJF Fortified that came to the top of our bull offering selling to C Diamond Simmentals. We have flushed her twice to Turning Point in which they came to the top of our bull offering, with this years flush being a sale high light and one being Jeff's pick of the bull offering. She has left us with a great set of daughters so her legacy will still be with us. Safe in calf to the popular outcross pedigreed bull, Rubys Turn Pike.

- Offering 3 Conventional Embryos. When I decided to increase our red program and flush a Hetero Black cow, that's when we needed to use our 739 donor. She is going strong turning 12 this coming year. In 2015, this donor averaged \$12,833 on her flush of bull calves and has not looked back the last few years with her offspring topping my bull sale along with doing well for other seed stock breeders like Werning Cattle Co & Stangeland Simmentals. Her Profit flush this year will be a sale highlight in our 45th Annual Bull Sale and offering a real fancy open heifer in this year's sale. I made the choice to flush to KWA Law Maker as for his stout, rugged, high performing, eye appealing look should work well with this donor. The Law Maker cattle come with high marketability and I am excited to see what he does in our operation come calving in 2019.

We are again offering choice on the Simmental-sired embryos by our lead donor, ZH Uptown Girl 831. This out-cross pedigree Angus cow has been flushed conventionally 9 times and averaged 35 embryos per flush. Not only does she transmit sound structure and an attractive look, but her daughters are making great cows and her sons have been readily accepted by commercial cattlemen.

• Opportunity to purchase embryos from a proven powerhouse donor that have never been offered for sale until now. For many years, 58S genetics have topped this sale & others and are working well for their new owners. The proven mating by Sharper Image has full sibs being: KNH Play On 458Z (donor for Jason Quandt/Magill Farms that's earned over \$100,000 so far) and KNH Game On 558Z (our up-and-coming donor & the dam to our red, open, Bankroll heifer in this sale - Lot 58). The GW Substance mating has never been implanted yet! Could be the next new exciting herdsire or donor female!! Selling 5 embryos, your choice of these 2 matings by 58S.

- No Exposure.
- Ultrasound safe to AI date.
- Recently shown at the Minnesota State Fair where she did well, we are now offering her to you. She has cow power written all over her and is bred to a calving ease bull. She should make a great asset to your herd.

Attention Juniors

Take note of the brand new NDSA Junior Incentive Program! Remember, the North Central Regional is in Fargo in 2019!

ND JUNIOR INCENTIVE PROGRAM

Rules:

1. Open heifer must be purchased at the ND State Simmental Classic Sale. Purebred or 50% or higher percentage heifers qualify to show. Sale credit applies to the show season immediately following the sale. Example if heifer is purchased in December 2018, show season would be the summer of 2019.
2. Junior member must register the heifer in their own junior membership with the American Simmental Association. Junior member listed as a representative under an adult membership does not qualify.
3. Junior member must be a member of the ND Junior Simmental Association
4. Junior member will receive sale credit for placing or winning in the levels listed below.
5. Sale credit must be used at the next ND State Simmental Sale. If not used that year the sale credit will be voided.
6. To receive sale credit junior must provide a picture (advertising quality) and a signed statement from a ND Junior Simmental Association Advisor for the Classic, ND State Fair or ND Jr Points Association levels or from your local county extension agent / Chapter FFA Advisor for the local County Fair level by December 1 of current year.

Levels of Sale Credit Incentives:

Simmental National Classic or Regional Classic

\$1,000 sale credit

Place in the top 10

ND State Fair Junior Simmental Show—\$750 sale credit

Grand Champion or Reserve Grand Champion Heifer

ND Junior Points Show Association—\$750 sale credit

High point year end heifer

Local County Fair—\$500

Champion Overall Breeding Heifer at your local county fair

• If you're into halfbloods & want a future donor then you need to consider this female! She's a granddaughter to the KnH Miss 58S donor... & her powerful, KS Black Diamond dam will be in flush pen very soon! This heifer has so much body, rib shape, length, power, capacity, structural soundness, & pedigree that it excites me to see what she will do for her new owner! PVF Insight daughters just keep getting better with time so absolutely buy this female with confidence... she will show, but where she will make her mark will be in the pasture! We would like to reserve the right to a flush on this female at seller's expense & buyer's convenience.

• This was an exciting mating right here and I couldn't be more happy with how it turned out. A Come As You Are Red Rocket x Copper Queen heifer that is extremely long bodied, she is structurally correct and steps down with an abundance of foot and bone. Furthermore she is attractive in her type, a heifer that will truly make an awesome cow and potential donor in the future.

• F817 has been an eye catcher all summer. She has a stylish presence that attracts a lot of attention, has an awesome EPD profile, and a pedigree stacked with great genetics. We are excited to calve out the first set of Red Whiskey bred heifers this coming February. As a sire group they are consistently easy fleshing, moderate, soggy made, & docile females. This is the first and possibly the only Red Whiskey daughter to sell in the US. Don't miss the opportunity. We purchased her dam from Kenner Simmentals.

• 803F emulates the balanced traits we strive for when producing high performing females with the eye appeal to stand in the front pasture. The combination of eye appeal, and genetic merit makes her a no miss. Perfect foot, fluid movement, feminine design, and do-ability - all characteristics that every cattleman strives for when selecting high quality replacement females. This female combines those with that extra look that make her get noticed. If she is fortunate to have a show career, it will be rewarding, but her best days await her arrival to the donor pen. Maternal sisters are earning their keep, and proving the performance backed by the pedigree.

We purchased this female's sire from C Diamond Simmentals in 2017, and after his first calf crop it is easy to see that he will make his mark on our herd. She is a tall fronted, long hipped heifer that offers more than just growth. She is a big ribbed, deep bodied female that is correct in her angles and sound when she gets on the go. With plenty of extension in her front 1/3, this heifer has a lot of potential. With her sire going back to Executive Order you have to believe that she will grow into a very attractive, good numbered cow. With the AJSA North Central Regional in Fargo this year, I believe this one could be competitive in the Purebred division.
