South Dakota **Simmentaler**

& North Dakota
Simmental Scene

MARTIN-TRUDEAU INSURANCE

LIVESTOCK DIVISION

Livestock Insurance endorsed by the South Dakota Angus Association & the South Dakota Simmental Association

Bull Mortality & ASD Infertility Insurance

The coverage provides traditional, full mortality for death from natural causes or humane destruction as a result of a life-threatening injury. The endorsement for Accident, Sickness & Disease Infertility provides coverage in the event of permanent impotency, infertility or the bull's inability to naturally service cows as a result of an accident, sickness, or disease sustained during the policy.

Values: Not to exceed purchase price

Term: Renewable One-Year Policy Term for Bulls 6 Months - 7 years of age

Premium: \$200 Minimum Premium Per Policy

Testing: All bulls must be tested, certified and listed in the official catalog of a herd sale

Mortality Payout: 100% of the value of the bull in the event of death or humane destruction as a result of a life-threatening injury.

Option 1:

Accident, Sickness & Disease (ASD) Infertility:

(Winter Freeze & Frostbite Covered)

80% of the value of the bull, less salvage value, in the event of permanent impotency, infertility or being incapable of serving females as a result of an accident, illness, or disease sustained during the policy.

Option 2:

Accident, Sickness & Disease (ASD) Infertility:

(Winter Freeze & Frostbite Covered)

100% of the value of the bull, less salvage value, in the event of permanent impotency, infertility or being incapable of serving females as a result of an accident, illness, or disease sustained during the policy.

Mortality Only Coverage

We offer mortality only coverage options for 91 days through 7 years of age. Available upon request.
Ages 24 hrs to 10 years.

Semen Suitability

This endorsement can be added to Option 1 or Option 2 (above) and provides coverage in the event the bull semen will not freeze in liquid nitrogen.

Frozen Semen & Embryo

This endorsement can be added to Option 1 or Option 2 (above) and provides coverage for semen and embryos (coverage does not apply to tank/storage itself, only and embryos) in storage or transit.

About the Cover

Calving season 2018 submitted by Lucas Stangeland, Stangeland Simmentals, Glenfield, ND.

EDITOR'S MESSAGE

Greetings Cattle Producers,

This will be the last issue until November 2018. Please take note of everything that will be going on through out the summer in ND and SD. Try to get out and support your juniors as they compete in state fairs and other local and national events.

Thank you everyone for being so patient with me and helping me get through this first year as I transitioned into the editors position. We had a couple bumps in the road but we will work hard through out the next year to fix those and make next years advertising season go as smoothly as possible. Reminder to all those interested in advertising in future catalogs to please contact me via email: stangelandcreativeservices@mail.com or phone: 701-650-1210. My contact information is also always listed on page 1 of the issues.

Please look for the SD Presidents letter on page 12 for more information on what to expect from SD over the next year. I look forward to working with you all again in the fall.

NDSA YOUTH SCHOLARSHIP

The North Dakota Simmental Association will award one \$500 scholarship to a high school graduate or college freshman in 2018. Applicants must be enrolling in a two or four year post high school educational program in the Fall of 2018. Furthermore, applicants must be pursuing a degree in an agricultural program. Preference will be given to applicants coming from a livestock based background that include the use of Simmental genetics. Download applications from the NDSA website at www.northdakotasimmental.com and must be postmarked by March 15, 2018. Any problems with the download, please contact Kim Myers for a hard copy at gkmyers@outlook.com or 701-308-1018.

Return applications to:

Kim Myers, Secretary/Treasurer | 12066 57th St SE | Kathryn, ND 58049

Please remember donations are accepted anytime for the NDSA Scholarship Fund.

HOOK ELECTED TO ASA BOARD OF TRUSTEES

Printed with permission of the American Simmental Association

Bozeman, MT - Tom Hook, of Tracy, Minnesota has been elected to the American Simmental Association (ASA) Board of Trustees, and will represent the North Central region.

Hook Farms is a diversified livestock and crop operation in southwest Minnesota. Hook represents the fourth generation to raise cattle and farm the family operation, which has focused on raising predictable and profitable Simmental and SimAngus™ seedstock for the last 44 years. Hook Farms is an active participant in the ASA's Carcass Merit Program, Total Herd Enrollment, and has recently joined the Cow Herd DNA Roundup. The family holds an annual production sale, in conjunction with the Wulf family and several cooperators.

Hook has been active in an array of ASA functions and programs, including judging the

pen show at the National Western. He and his wife Shannon, have five children: Joshua, Joseph, Cassandra, Sarita, and Annaka. Within his community, Hook currently serves as the chairman of his church, recently served nine years on the Tracy Area public school board, is currently the vice president of the local education foundation, and along with his wife, volunteers for the local 4-H club.

Hook was formally seated during ASA's 50th Annual Meeting held January 13, in Denver. Also seated were newly elected Cliff Orley, Lebanon, Tennessee, John Griswold, Stillwater, Oklahoma, and Jim Ligon, Cookville, Tennessee; and re-elected Michael Forman, Ellensburg, Washington, and Fred Schuetze, Granbury, Texas.

Tom Hook, ASA Trustee

SCENES FROM THE NWSS

Clay and his wife Laura and parents Neil and Brenda Duxbury.

Congratulations to Jackpot Cattle Co, SD, pen bull DUXS Exhult 49E received Reserve Champion People's Choice in the percentage pen bull show as well as champion spring percentage calf.

Retiring ASA Directors received their Swiss Bells at the ASA Chairman's Reception in Denver, CO on January 14. ND Simmental member Clay Kaelberer, New Salem, ND (left), served a 3-year term on the ASA Board. Other retiring Directors in the photo are (l-r) Barry Wesner, IN; past Chairman, Dale Miller, MT; and Jon Willis, OK.

Josh Rust, Turtle Lake, ND, stands beside his Reserve Champion Pen of 3 Percentage Bulls at the National Western Stock Show in Denver. Rust Mountain View also won Champion Female Pen of 3 the next day.

SDSA PRESIDENT MESSAGE

After an attendance breaking SDSA Banquet and Annual meeting followed by a very successful state sponsored sale our 2018 SDSA schedule looks full of exciting Simmental events! As a board we've set a goal of expanding our commercial producer base. Our plan is to work with sale barns across the state to hold special Sim-Influenced feeder sales. Look for more info in the future on this endeavor! We look forward to SD being represented well at Jr Nationals this summer in St. Paul, MN. If anyone would like to attend we are planning to organize travel as best we can. Get ahold of me (President and Jr Advisor) Clay Duxbury or Bridget Twedt, who has put a lot of work and time into coordinating for this event.

Sincerely,
Clay Duxbury

Western Cattle Source

Your Source for Quality Black and Red Simmental, SimAngus™ and Angus Seedstock and Semen.

Jock and I would like to say thank you to all our customers!! Hearing of your success with our genetics is what keeps us raising registered cattle. We had a decent year moisture and weather wise. This year's offering includes many embryo transfer calves that will allow you to purchase many full brothers. There are several sons out of our Turning Point bull (who is deceased) that just keeps impressing us with his calves' ability to perform, maintain eye appeal and their overall do-ability. One of his son WCS EL DORADO sold to Accelerated Genetics and Hart Simmentals and we retained his full brother WCS McClintock two years ago, their sons and daughters look impressive. We strive to raise bulls with outcross genetics to our breed that will excel in all areas of the beef industry. I believe this will become more important with lower calf prices that we have all seen this year. Bulls that sire more pounds will play a major role in your bottom dollar. We can assist you with the marketing of your calves as well.

The Simmental and SimAngus™ cattle perform well on the rail, in the feed yard, and as momma cows for us and our customers. MARC research shows that hybrid vigor allows the cows to maintain their condition, rebreed quicker and produce more pounds of calf per cow exposed than straight bred cows. The research shows they will generate over \$100 profit, they have a 25% increased lifetime productivity, and stay in production 38% longer.

We are very proud of the quality, not quantity of bulls we offer. We cull 2/3 of the calf crop to leave only the best. The mothers to these bulls are not pampered or given any special treatment over the commercial cows. We believe they need

to perform under the same environment and perform at a higher standard. We select for low to moderate BWs with exceptional growth, maternal and carcass traits.

The bulls are developed so they will not melt, will continue to grow, and stay sound for you during the breeding season. They will be semen tested, and we will work with you on wintering. We highly recommend purchasing insurance on your investment, and we can assist you in finding a good company to work with.

We offer a sight-unseen guarantee. The bulls this year are very impressive in their genetic makeup and phenotype. There is a wide selection from heifer bulls to performance bulls. WCS is very proud of this group of bulls. It pays to own good bulls that will add pounds to your calf crop and leave tremendous females.

Stop by and take a look or give us a call to visit about the bulls or anything else. Our website is located on breedingcattlepage.com. Videos will be available on most of the bulls. Also, see us on facebook in the near future.

Ultrasound data will be available on the bulls as well!!!

The Commercial Cattleman's
"One Stop Bull Shop"
For Elite Simmental & Red Angus Genetics

At MRL we have built a reputation around
supplying Thick Beef Bulls to Commercial
Cattlemen and standing behind them.

Herdbulls packed full of economic and
convenience traits that will accelerate your
breeding program. Managing over 600 mother
cows with limited manpower, these bulls
are raised under ranch conditions similar to
yours, and are developed on a silage-based
ration to ensure soundness and longevity.
Over 40 years of genetic selection with the
commercial cattleman in mind: calving ease,
consistency, natural thickness, maternal values
and carcass traits bred right in. Give us
a call, we would enjoy visiting about your
operation and herd bull needs.

Thank You

to our U.S. buyers for the past several
years. Almost 25% of our bulls have sold to
some of the top breeders and commercial
cattlemen in the Dakotas, Minnesota, and
Nebraska annually. We have the experience
and documentation to get your bulls to your
yard hassle free! Take advantage of the us
dollar with a 20% buying advantage!

We supply the Quality, Quantity, and Selection to get your Bull Buying Needs done! 1 Day 1 Sale and save you money.

Affordable

Top Genetics Reasonably priced.

Extra Age Bulls

Our yearlings are January and February born, as well as a group of May born

Coming 2 Year Old bulls ready to cover some ground and more cows!

Sight Unseen Buyers Program

We would love for you to join us at the ranch March 3 for the bull sale; but if you cannot, this program has worked very well for busy cattlemen unable to attend our sale. 20% of our bulls go to satisfied cattlemen each year, many repeat customers through our SUS program. It's simple: give us a call to discuss what you are looking for in your next herd sire. We know our cowherd very well and the genetics strengths of each and every bull offered. Together we will discuss which bulls will work best in your operation. We will personally hand pick and purchase your bulls for you within and quite often below your price range. Your next herd bull purchase is as close as your phone. Please contact Lee or Dave for more info on the program.
