FROM THE EDITOR

Happy Fall Cattle Producers,

Hoping this letter finds you settling down from all the summer and fall busyness and getting geared up for the sale season. Congratulations to all the Juniors who competed this past summer and also the Simmental Association on their 50th year! You will find photos of some of the members who made their way to Bozeman, MT in August to join in the celebration and take in some educational sessions for the 2018 fall focus.

It's hard to believe that the sale seasons are once again creeping up on us! The next few months look to be a busy time for the producers with both ND & SD state sales being held in December, along with Annual Bull and Female sales, and Junior fundraising for 2019 year ahead. I hope everyone can take some time out of these busy months to support our hard working producers and juniors.

Reminder to producers the preferred pages for the next two years will be auctioned off at the ND Simmental Banquet in Bismarck on Dec. 7th. If your

hoping to get any of these pages please make note of this.

Juniors please take a look at all of the scholarship opportunities throughout this issue. There have been a couple added for the upcoming year that you should make yourself aware of. Producers the juniors are looking for a little support in 2019 as they will be hosting The 2019 North Central Regional in June. More information about how you can help is located on page 19.

The ASA has made some changes to the Annual Service fees and also some DNA updates. Please make yourself aware of these two things by reading the editorial on page 7.

You will find an update on page 16 from the SD Simmental President about the events that went on in SD throughout the summer and what the winter has in store.

Members also keep in mind if you snap photos throughout the year send them my way. You may just find your photo on our cover!!!

Amy Stangeland

REMINDER

Preferred pages for the NDSD SIM-TELLER will be auctioned off at the 2018 Simmental Banquet in Bismarck, ND on December 7th.

(9) The new office building in the background with the crowd. Attendance was over 300 people.

AMERICAN SIMMENTAL ASSOCIATION CELEBRATES 50 YEARS

The American Simmental Association (ASA) celebrated its 50 years anniversary in conjunction with their annual Fall Focus board meeting and educational symposium at the ASA headquarters in Bozeman, MT August 25-29. Educational sessions, interactive committee meetings, and a pitchfork fondue highlighted the event, offering something for commercial and seedstock cattle producers alike.

To kick off the five-day event, 300-people--including local residents, former ASA staff, members of the association, international cattle producers, and many more with ties to the Association-- were in attendance for ASA's 50-year anniversary dinner on Saturday, August 25. Participants enjoyed a pitchfork fondue and live music by Sam Platts and The Great Plainsmen, Pony, MT. Dr. Bob Hough

introduced his new book, Simmental's American Journey, highlighting the Simmental cattle breed in the United States. In addition, Wade Shafer, ASA's Executive Vice President, took a look back at the progression of ASA since its founding in 1968.

The educational sessions featured presentations from industry professionals, scientists, and ASA leaders discussing ASA's Genetic Evaluation System, the IGS Multi-breed Genetic Evaluation powered by BOLT, genomics, EPDs, and the National Cattle Evaluation. The speakers include: Dr. John Pollak, Professor Emeritus Cornell University; Dr. Bruce Golden, Theta Solutions, LLC; Dr. Wade Shafer, ASA's EVP; Steve McGuire, ASA Chief Operations Officer; Dr. Mahdi Saatchi, Lead Genomicist, International Genetics Solutions; Charlie Will, Former Manager of Holstein Sire Program for

Select Sires; Dr. Matt Spangler, University of Nebraska-Lincoln; and Dr. Bob Hough, author of Simmental's American Journey. The day wrapped up with a dinner hosted by the Montana Simmental Association.

In addition to the educational session, the ASA Board of Trustees held their fall board meeting, which included interactive committee meetings, giving cattle producers the opportunity connect with the ASA Trustees. The ASA staff reported on association programs and answered questions. ASA's processing team held their inaugural Herdbook Services tutorial session focused on the most useful functions of ASA's data reporting system. To learn more about the event, please visit fallfocus.org.

Transportation to the DoubleTree is by train to the Central Park Station and then shuttle service to the hotel. The DoubleTree provides transportation to and from the NWSS grounds.

For the complete NWSS Schedule visit, nationalwestern.com/schedule

MEMBERSHIP UPDATE FROM THE
AMERICAN SIMMENTAL ASSOCIATION**DNA UPDATE****DNA Invoicing**

Starting September 1, 2018, DNA invoicing will be completed at the time of requesting the tests (instead of when results are received). This will increase efficiencies and reduce the number of invoices members currently receive.

Since it takes time to order kits and for the sample to complete testing, other types of processing (registrations, THE enrollment, transfers) will not be delayed pending DNA payment for a period of time.

We ask that if members have requested DNA kits in the past, or are requesting kits throughout the summer, that they please send the kits to the lab before September 1, 2018, so that the DNA invoicing transition is made as seamless as possible.

New Genetic Condition Panel Pricing

The Genetic Conditions Panel is undergoing changes to include all 7 of the genetic defects tracked by the American Simmental Association. These defects are: AM, NH, CA, DD, OS, PHA, and TH. The new Genetic Conditions Panel will only be available with GGP-LD or GGP-HD testing and the add on price for the panel will be \$25. If the animal is not undergoing a GGP-LD or GGP-HD test, then defect testing will be \$25 per defect. If requesting the genetic conditions panel after a GGP-LD or GGP-HD test is complete, then the testing will be billed at single defect rates, which is \$25 per defect.

ALERT: UNPAID ANNUAL SERVICE FEE

Reminder to all members from the American Simmental Association, If you have not paid your Annual Service Fee (ASF) by October 23, 2018, the Association will remove the billing from your account, and your membership will become inactive.

If a member wishes to become active later in the same fiscal year, a penalty late (reinstatement) ASF fee will apply. This late fee consists of the regular annual service fee plus a \$50 reinstatement fee.

Contact the Association at 406-587-4531 or simmental@simmgene.com if you have questions.

AJSA STEER PROFITABILITY COMPETITION (SPC)

The Steer Profitability Competition (SPC) is designed to provide members of the AJSA meaningful exposure to the opportunities and challenges associated with cattle feeding. The SPC will not only allow participants to measure and compare the profitability of their own animal(s), but of greater importance, it will introduce young beef enthusiasts to peers, mentors, industry advocates, and experiences that are exceedingly difficult to acquire for any beef producer. Participants in the SPC program will be powerful voices as they transition from junior membership to adult participation within the beef industry.

AJSA youth interested in entering the SPC must

hold an active AJSA membership, and can enter one, two or three head of steers. The SPC is a terminal contest, marketed on a grade and yield grid. Steers must be entered in the American Simmental Association (ASA) database, with one parent registered in the ASA database.

The deadline has past for this year and the first informational meeting was held on September 25. For anyone interested next year, log on to www.simmental.org and go to the AJSA page for all the details.

The steers are picked up at regional locations and transported to University of Missouri Beef Research & Teaching Farm in Columbia, Mo.. The steers must have birthdates between January 15 to April 15 and must be weaned between August 15 to October 15. All steers must be castrated, horn-free, weigh 500-750 pounds at pick up and have a docility score of 1-3. They also must meet a health prerequisite prior to pick up. Slaughter will occur in early May.

Exhibitors must agree to attend mandatory monthly online meetings and submit monthly reports. Profitability will be determined by subtracting accrued cost from final valuation. Awards will be presented for the top-three animals overall, as well as the top-three Pen of 3 overall at the National Classic each year.

Exhibitors interested in entering the SPC for 2018 OR 2019, should contact Chip Kemp (406-587-4531, ext 508) or email spc@simmgene.com

NORTH DAKOTA JUNIOR SIMMENTAL ASSOCIATION

NDJSA PRESIDENT UPDATE

Hello, I'm Fletcher Hennessy your North Dakota Junior Simmental Association President. I'm a third generation simmental breeder from Des Lacs, ND. I have grown up raising and showing simmental cattle locally and nationally. I'm excited to lead the existing Junior Simmental members and get more excitement about the Simmental breed.

It was another fantastic summer for the junior members. 14 members participated in the National Simmental Show held in Saint Paul, Minnesota. Many members also participated in showing at the North Dakota State Fair. The Simmental Association was represented with many high quality cattle as it was the largest breed show at the fair. Our junior members earned cash awards and prizes for all of their time and effort put into their simmental project.

North Dakota Junior Simmental Association is proudly hosting the 2019 North Central Regional being held in West Fargo on June 11-15, 2019. With this great opportunity to show at a high level do not forget about the fast approaching North Dakota Simmental Association Classic Sale. The sale will be held December 8, at Kist Livestock in Mandan, ND. Don't miss your opportunity to buy your next show heifer for the upcoming regional.

The Annual Meeting and Banquet will be held December 7, starting at 6:00 p.m., we highly recommend junior members to bring an action item to this event to be put in the action. The money from the action goes to our Junior Simmental Association to help with any funding needed.

The Juniors will be hosting an online sale on Breeders World on November 14. The sale will consist of semen, embryos, fishing trip, great

opportunity to sponsor show shirts and many more great items.

Be sure to check out the website www.northdakotasimmental.com or find the facebook page for more information on important dates and events that are coming up. I'm looking forward to seeing new and existing members at these upcoming events. Also like the North Central Regional Classic Simmental Show facebook page to keep up to date with the show.

SCHOLARSHIP WINNER TREY KLAİN

Written By: Kim Meyers

2018 Scholarship winner is Trey Klain, Son of Durnell and Darcy Klain of Ruso ND. Trey has just graduated from Turtle Lake-Mercer High School and will be attending NDSU in the fall majoring in Animal Science. Trey has grown up showing and raising simmental cattle since he got his first simmental cow from his grandpa in 2006. His family has been raising simmental cattle for many years, along with holding an annual production sale each February. Trey has been very active in the ND Junior Simmental Association being the treasurer for several years and participating in numerous regionals and national classics. He is also a member of the ND Junior Points Show Association. Trey plans to return to the family farm after college to expand their annual bull sale and look at adding a feedlot to finish steers and heifers. We wish him the best in his future plans.

NDSA SCHOLARSHIP

The North Dakota Simmental Association will award one \$500 scholarship to a high school graduate or college freshman in 2018. Applicants must be enrolling in a two or four year post high school educational program in the Fall of 2018. Furthermore, applicants must be pursuing a degree in an agricultural program. Preference will be given to applicants coming from a livestock based background that include the use of Simmental genetics.

Download applications from the NDSA website at www.northdakotasimmental.com and must be postmarked by March 15, 2019. Any problems with the download, please contact Kim Myers for a hard copy at gkmyers@outlook.com or 701-308-1018.

Return applications to Kim Myers, Secretary/Treasurer at:

12066 57th St SE Kathryn, ND 58049

Please remember donations are accepted anytime for the NDSA Scholarship Fund.

ND SIMMENTAL SCENE 2019 SCHOLARSHIP APPLICATION

The ND Simmental Association board will award one \$1,000 scholarship to a 2019 high school graduate or a 2019 college freshman. Applicants must be enrolled in a two or four year post high school educational program in the fall of 2019. Furthermore, applicants must be pursuing a degree in an agricultural program. Preference will be given to applicants that have a livestock background that includes the use of Simmental genetics. Return application to NDSA Attn: Kim Myers 12066 57 St SE Kathryn ND 58049 by March 15, 2019.

SOUTH DAKOTA SIMMENTAL ASSOCIATION

SDSA PRESIDENT UPDATE

Greetings, folks!

With the hectic nature of fall giving way to the busyness of winter, I hope this finds you healthy, happy, and ready to tackle it all.

The long list of fall obligations can be overwhelming on our busiest days, but there's a lot of excitement to be found. Weaning calves brings a sense of pride and hope for the work you've put in. Inputting data and reviewing results encourages you to stay the course or try new options. Even getting a project or two wrapped up before snow makes a guy feel better!

Given the challenges we all face, those little victories mean a lot. A solid, exciting set of calves in the yard lessens the blow of those "favorites" coming up open. A finished project or sensible spreadsheet help make this temperamental weather tolerable.

We all know the challenges aren't going away. The long lists probably won't disappear either. But, there's a lot to celebrate if we can all hang together to keep cattle healthy and get crops out safely.

Because there's a lot to celebrate in the Simmental world, I hope you'll mark December 15 and 16 on your calendar. We'll gather in

Mitchell, South Dakota for fellowship, business, and fun.

Our annual meeting at the Ramkota Hotel starts two days of events. This is a great opportunity to network and be more involved. In addition to the meeting, we'll enjoy a delicious meal, time for special awards, and other activities benefiting our South Dakota Junior Simmental members.

Then, on December 16, take in our 8th Annual SD Simmental Source sale. The Simmental breed is one of the most progressive in our industry, and we are blessed with members who have been at the forefront of efforts to better not only our Simmental cattle but also the opportunities for our people. Our annual meeting, banquet, and sale are fantastic opportunities to interact with and learn from other Simmental breeders.

Whether you join us for some or all, we hope to see you in Mitchell!

It's also time to make sure the Sioux Empire Farm Show, Black Hills Stock Show, and Watertown Winter Farm Show are on your radar. These local winter events showcase quality Simmental genetics and give each of us convenient access to a variety of breeders and programs.

As president of the South Dakota Simmen-

tal Association, I'm grateful for our active membership! From suggestions to concerns and everything in between, our members can be counted on to show up, speak up, and pitch in. An association is only as good as its members, and I can attest that we have some of the best!

I'm looking forward to catching up with everyone this winter, and I wish you all the best as we move through the seasons. May the bulls make gains injury-free, the cows stay contentedly growing, and the calves push down the scales as they go to town!

SOUTH DAKOTA SIMMENTAL TO AWARD TWO SCHOLARSHIPS

The South Dakota Simmental Association Board of Directors will award two \$500 scholarships in 2018 to a 2019 graduating high school senior or post secondary student. Applicants must have been raised on a ranch, registered or commercial, and have an interest in Simmental cattle. Applications are due December 1, 2018. Download an application at www.southdakotasimmental.com or contact Clay Duxbury 605-461-1494 for more information.

Scholarships will be awarded at the South Dakota Annual Banquet on December 14, 2018, in Mitchell, SD.

SOUTH DAKOTA JUNIOR SIMMENTAL ASSOCIATION

SDJSA BOARD

President- Sawyer Naasz
Vice President- Nicolette Schmidt
Treasurer- Abby Blagg
Secretary- Kylie Harriman

SDJSA PRESIDENT UPDATE

Hi everyone! My name is Sawyer Naasz and I am your current South Dakota Junior Simmental Association President. The Junior Association is very excited this year to be reviving our South Dakota junior board. Already this year, our junior board has been more involved in the Simmental breed, from starting our own Facebook page to helping with the Simmental show at state fair. We are all very excited to see how we can become more involved as the year progresses.

This year started for a lot of us at the Simmental National Classic in Minnesota. It was a great week for South Dakota with many of our members placing in the educational contests and in the cattle shows. Next year, the National show will be in Louisville, Kentucky from July 22nd to the 28th. If you are thinking you might want to get the experience of going to a Simmental Classic but don't want to make the trek Louisville, the North Central Regional will be in Fargo, North Dakota from June 11th to the 15th.

These shows are great opportunities for members to get involved in the Simmental breed. The Simmental Association has done a great job of giving kids opportunities to advance their communication skills and to gain more knowledge of the livestock industry. The contests available to members include sales talk, public speaking, genetic evaluation quiz, cattleman's quiz, and cattle judging. Not only are all contest available for members to compete in at the regional and national level, but the state also offers these contests, with the exception of cattle judging, at the South Dakota Summer Spotlight. I would like to encourage all members to take full advantage of the contests offered by the Simmental breed.

I am so excited for the upcoming Simmental Events! The South Dakota Simmental Source sale will be on Saturday December 15th with the auction beginning at noon at the sale barn in Mitchell, SD. A banquet and silent auction will be held the night before on December 14th.

I am very honored to be serving as your current Junior Association President. The Simmental Association has given me so much. From a young age, through the Simmental Association, I was given the opportunity to develop the knowledge and communication skills that most people don't learn till their teenage years. From showing cattle, I have learned not only how to respect and care for animals, but I have also learned the kind of work and passion needed to develop the cattle industry. In the next year, I hope to inspire more kids to become active and involved in the industry so they can be influenced by all the industry has to offer.

SDJSA FUNDRAISER RESULTS

The results are in for the Missouri River fishing trip that was sold on the SDJSA fundraiser auction this past December at the annual banquet and meeting and it looks like they were winners!

This trip was donated & guided by R&R Cattle Company, Steve & Elaine Reimer & purchased by Double J Farms!

Thanks everyone for your contributions to our junior organization!!

SOUTH DAKOTA HEIFER GRANT PROGRAM

SPONSORED BY THE SOUTH DAKOTA SIMMENTAL ASSOCIATION

PURPOSES OF THE GRANT PROGRAM

1. To provide quality Simmental heifers to youth interested in starting a herd.
2. To encourage youth to show & promote Simmental cattle.

YOUTH ELIGIBLE FOR THESE GRANTS SHOULD MEET THE FOLLOWING CRITERIA

1. Be a current member of the SD Junior Simmental Association and a resident of South Dakota. (Annual membership fee of \$10 may be sent with Grant Application)
2. Age: Must be at least 8 years old on January 1, 2019 and not older than 21 years on January 1, 2019.
3. Must agree to attempt to show the heifer in the upcoming Futurity Heifer show at the SD Summer Spotlight; your local SD county fair; and the 2019 SD State Fair Junior Heifer Show with the co-signature of parent or guardian to aid in the exhibit of heifer in these shows. If a heifer calf is purchased, if you chose to purchase a bred heifer no exhibiting is required.
4. Must be able to provide an amount at least equal to or greater than the amount of the grant to purchase a heifer.
5. Must purchase a heifer from the 2018 SD Simmental Source Sale, 2019 Sioux Empire Farm Show Simmental Sale, 2019 Watertown

Winter Farm Show Simmental Sale, 2019 Black Hills Stock Show Simmental Sale.

6. Recipient agrees to abide by rules of the Futurity Show and the 4-H Code of Ethics.
7. Recipient of grant must have the bidder number registered in their name at the sale. We will not transfer grants.
8. Non-compliance with the Grant Rules (by recipients) may affect future chances to receive a grant.

ALL GRANTS WILL BE \$500. Grants are not transferable and do NOT carry over to the next year.

Note: Grants are not limited to a one-time issuance. If you have won a grant before, you may apply again.

Examples:

\$1,500 Cost of Heifer	\$2,000 Cost of Heifer
-\$500 Grant	-\$500 Grant
\$1,000 Cost to Recipient	\$1,500 Cost to Recipient

HOW RECIPIENTS WILL BE CHOSEN

1. Selection Committee comprised of at least two non-biased individuals.
2. No names will appear on the application portion submitted to the selection committee.
3. Criteria for judging of grants:
 - Need for financial help through this grant

- Dedication to the Simmental Breed
- Ability to care for animal(s)
- Sense of responsibility
- Integrity
- Good candidate for continuing with Simmentals
- How much effort was put into the application (applicant must fill out their own form)
- Has applicant received a grant in the last several years? If so, did the recipient adhere to the rules such as showing the heifer at:

1. County Fair
2. SDJSA Futurity Heifer Show at the Summer Spotlight
3. SDSF Junior Heifer Show

4. Grant recipients will be announced prior by December 15, 2018.

Applications are due December 1, 2018.
Download entire application at www.southdakotasimmental.com or contact Clay Duxbury
