Profit

Our philosophy is simple:

You can *hope* for it, or *you can breed for it.*

Annual Production Sale
Feb. 18, 2023
At the Ranch, Turtle Lake

45 RED & BLACK SIMMENTAL &
SIMINFLUENCED YEARLING BULLS
20 OPEN FEMALES & THE ELITE EIGHT:
4 ELITE BREDS, 4 ELITE OPENS

We have and will continue to breed cattle with calving ease, while maintaining reasonable and sensible growth. We select females that are moderate in size that will survive and produce in our unpredictable and harsh environment. In the commercial cow/calf business there must be a continued focus on the expense and maintenance of the cow herd. Profitability is not determined by income only, but a balanced approach of inputs and income.

*Rooted in Heritage,
Growing through Innovation,
Delivering Profitability*

With over 50 years of experience raising Simmental genetics, we have pinpointed the traits that increase our customers' profit margin.

The balance of hybrid vigor, calving ease, fleshing ability and fertility complement and enhance any cowherd to produce calves that excel through all stages.

In times like these we need to
**STICK
TOGETHER.**

We need to stick together and provide a strong, unified voice for our industry. For more than nine decades, the North Dakota Stockmen's Association has provided that voice for our state's cattle ranchers. The organization's strength comes from grassroots members like you, and the more members we have, the more effective we are. We need to stick together, and we invite you to join the North Dakota Stockmen's Association.

KENNER SIMMENTAL RANCH

WITHOUT **COMMITMENT** NOTHING HAPPENS.

- T.D. JAKES

Our commitment to commercial producers starts far before sale day. Understanding the key breeding traits in what makes a producer's operation progress one cow at a time, is our mission in genetic selection.
